## Please Don't Take My Breath Away: Global Initiative for Chronic Obstructive Lung Disease - Guideline Update 2023

**Kavya Balaji, PharmD**

PGY1 Pharmacy Resident  
Wellstar Cobb Hospital

**Target Audience:** This activity is intended for pharmacists and pharmacy technicians

**Start date:** 6/30/2023

**Expiration date:** 6/30/2024

**Location:** Web-based

**Learning Objectives:** At the conclusion of this activity, participants will be able to:

### Pharmacists:

1. Apply the updated definition and diagnostic strategies for Chronic Obstructive Pulmonary Disease (COPD).
2. Discuss vaccination recommendations in the COPD patient population.
3. Design appropriate strategies for the management of acute exacerbations.
4. Discuss new non-pharmacological options and pharmacological therapies for the management of patients with COPD.

### Technicians:

1. Identify the updated definition and diagnostic strategies for Chronic Obstructive Pulmonary Disease (COPD).
2. Employ vaccination recommendations in the COPD patient population.
